

WORK DEPOSIT

The work deposit program is to insure that volunteers are available and motivated to assist with the Grand Targhee Ski Team fundraising and athletic events. Volunteers are crucial to produce the many events our non-profit program hosts. Each event is a success solely because of Teton Valley's many dedicated supporters. Your assistance is immensely appreciated and thanks for your support.

A \$200 work deposit is required per ski team athlete (\$100 for one-day per week programs). Athletes and/or parents can work off deposits and any GTST event, including but not limited to the following events:

- Winter Festival/Ski Swap
- USSA Freestyle Competition
- North Series Championships
- End of Season Awards Banquet
- General Office Assistance
- Team Treasure Hunt
- Potluck Lunch

Note: completed work deposit hours may be donated back to GTST as a tax deduction at any point in the season. Additionally we encourage all parents and athletes to volunteer time freely to the ski club at any time thought the year.

I **DO NOT** want to work any hours towards my Work Deposit Refund- please do not contact me.(please include appropriate payment in full)

I **DO** want to work hours towards my work deposit refund-please contact me.
